Maxim
a Project Clean solution

MAX CONDITIONER

laundry sour

DESCRIPTION

Max Conditioner is a liquid neutralizing agent that's added to the final rinse cycle of a washing machine. **Max Conditioner** can lower the pH of the rinse water and assists in residual detergent and rust stains removal. It contains agents to aid in the prevention of fabric discolouration and helps prevent skin irritation and bed sores.

FEATURES & BENEFITS

contains water softeners • removes unwanted residues from linen • removes rust • restore linens to their proper pH • boost fabric softer efficiency

DIRECTIONS

Max Conditioner is designed to be dispensed directly from the container by a Project Clean Liquid Laundry Dispenser.

FIRST AID

Eyes & Skin: If eye or skin contact occurs, immediately flush with plenty of water for at least 15 minutes. Call a physician. **Inhalation:** Remove to fresh air. Call a physician. **Ingestion:** If swallowed, promptly give plenty of water or milk. Do not induce vomiting. Call a physician.

For further information, please review the Safety Data Sheet (SDS) and Product Label.

STORAGE & HANDLING

Keep from freezing. Store upright in original closed container at room temperature away from children. Do not mix with any other chemicals.

Do not store in aluminum, copper, copper alloys and galvanized containers.
