

WHEN FIRST IMPRESSIONS ARE EVERYTHING

Project Clean™

a naturally better tomorrow

ODOR CLEAN

Biological cleaner and deodorizer

DESCRIPTION

ODOR CLEAN contains natural microorganisms that will reduce unpleasant restroom odors created by urine and feces and neutralize them at the source. **ODOR CLEAN** can also be used to reduce pet or animal odors like cat or mouse urine smell or the noxious scent of skunk spray. **ODOR CLEAN** can be used with hand spray, pump spray or automated dispensing systems.

FEATURES & BENEFITS

- ECOLOGO® Certified • KosherCheck certified • Leaves a unique bio-film on treated surfaces
- Prevents future build-up of organic matter • Fast acting

DIRECTIONS

ODOR CLEAN can be added to automated dispensing systems for urinals or toilets. The dilution will vary from 32 oz. per US gallon with water (250 ml/liter) (1:4) to 128 oz. per US gallon with water (1000 ml/liter) (1:1), depending on the severity of the nauseous odors. Generally, manual spray will be 32 oz. per US gallon with water (250 ml/liter) (1:4), yet a second application may be necessary under severe conditions. Let sit overnight and wash as usual the next day. For regular duty and maintenance, **ODOR CLEAN** 4 oz. per US gallon with water (32 ml/liter) (1:32) and spray generously on soiled surface. Let sit 3-5 minutes and clean using a cloth, sponge or mop. No rinsing required.

STORAGE & HANDLING

Keep from freezing. Store upright in original closed container at room temperature away from children.
Do not mix with any other chemicals.

For further information, please review the Safety Data Sheet (SDS) and Product Label.
