

WASHROOM CLEAN NATURAL RTU

Bio-based ingredients · Safe for all types of fixtures

-  ECOLOGO[®] Certified
-  Plant-based biodegradable ingredients
-  Removes scale and mineral deposits
-  Ready to use

WASHROOM CLEAN NATURAL RTU is a complete washroom and fixture cleaner that keeps basins, showers, bowls, urinals and washroom surfaces clean in one easy step. This mild acidic solution easily removes soap film, body oils, makeup and minerals deposit, keeping your space clean while using bio-based ingredients. **WASHROOM CLEAN NATURAL RTU** can also be used to polish high-gloss surfaces such as chrome and stainless steel and is effective at removing stubborn stains from ceramic tiles and grout.

APPLICATIONS

- Hard surfaces
- Sinks
- Urinals
- Toilet
- Faucets
- Tiles
- Shower stalls
- Trash area & bins

2 x 3.78L
4 x 3.78L

Packaging codes

A100923-6c16
A100923-12an
A100923-2c5
A100923-4cs

*Recycled plastic is for bottles and jugs

DIRECTIONS

1. Use a sprayer, hand bucket, swab, brush, microfibre wipe, or mechanical sprayer device and simply apply the WASHROOM CLEAN NATURAL RTU solution to the surface and wipe clean.

TIP: When using on sensitive surfaces, such as marble, test a small space for discoloration before using.

2. Allow time for the chemical action to begin dissolving soils including hard water deposits.

3. If needed, scrub, using a mild abrasive pad, brush or doodlebug.

4. Rinsing is typically not necessary.

NOTE: For 946ml bottle remove cap and replace with trigger sprayer. Ready to use.

Try **WASHROOM CLEAN NATURAL**, an ECOLOGO[®] Certified cleaner by Project Clean for a concentrated version of this ready to use product.

Ready to use

STORAGE

Keep from freezing. Store upright in original closed container at room temperature away from children. Do not mix with any other chemicals.

DESIGNED FOR THE FUTURE[™]

Our commitment to sustainability means we not only dedicate ourselves to creating greener, healthier and safer cleaning solutions, but also manufacturing our solutions through sustainable best practices. By providing our customers with sustainable solutions to enhance the sustainability of their facility care, cleaning process and employee health and safety, together we can share a naturally better tomorrow.

SAFE HANDLING

Before usage, ensure employees read and understand the product labels and Safety Data Sheet. Directions for use can be found on the label and the TDS. Employees can find hazard warnings, precautionary statements and first aid procedures on the SDS sheets. SDS are available online at projectclean.com or by calling 1-800-663-9925. Improper use may result in damage or injury.
