Foam: low

Odor: apple

pH: 1.0-2.0

Packaging size
12 x 32oz

Packaging codes
A100840-12cy

*Recycled plastic is for bottles and jugs

DIRECTIONS

BOWL CLEAN should be used at full strength. Before application, pre-test in an inconspicuous area.

General Cleaning

Toilets and urinals: Lower bowl water level by forcing water over trap with bowl mop. Saturate bowl mop with 2-3 oz (60-90 ml) of BOWL CLEAN and swab entire bowl or urinal thoroughly especially under flush rings.

Allow 1-2 minutes dwell time, scrub, flush and rinse with bowl mop.

Fixtures & tile: Apply BOWL CLEAN full strength to a cloth or brush, wipe surfaces clean and rinse.

TIP: Not recommended for use on marble.

Full strength

STORAGE

Store in a cool, dry place. Keep from freezing. Store upright in original closed container at room temperature away from children. Do not mix with any other chemicals. Dispose of contents/container to an approved waste disposal plant.

SAFE HANDLING

Before usage, ensure employees read and understand the product labels and Safety Data Sheet. Directions for use can be found on the label and the TDS. Employees can find hazard warnings, precautionary statements and first aid procedures on the SDS sheets. SDS are available online at projectclean.com or by calling 1-800-663-9925. Improper use may result in damage or injury.

DESIGNED FOR THE FUTURE[™]

Our commitment to sustainability means we not only dedicate ourselves to creating greener, healthier and safer cleaning solutions, but also manufacturing our solutions through sustainable best practices. By providing our customers with sustainable solutions to enhance the sustainability of their facility care, cleaning process and employee health and safety, together we can share a naturally better tomorrow.
