Odor: no added fragrance
pH: 6.5-7.5

Packaging size
4 x 1 US gallon

Packaging codes
A100810-4c22

*Recycled plastic is for bottles and jugs

DIRECTIONS

MOISTURIZING HAND WASH is ready to use. Simply pour into any appropriate dispenser directly from the container. It is not recommended for low grade stainless steel dispensers. Place a small amount of **MOISTURIZING HAND WASH** on wet hands. Rub to loosen dirt and scrub front and back of hands and nail beds for a minimum of 30 seconds. Rinse with clean, potable water.

TIP: Use towel to turn off faucet and on door handle to avoid recontamination.

FOR USE IN FOOD PLANTS: All food should be removed or covered prior to use and food contact surfaces are to be thoroughly rinsed with potable water so there will be no contamination of food as a result of its use.

Ready to use

STORAGE

Keep from freezing. Store upright in original closed container at room temperature away from children. Do not mix with any other chemicals.

DESIGNED FOR THE FUTURE™

Our commitment to sustainability means we not only dedicate ourselves to creating greener, healthier and safer cleaning solutions, but also manufacturing our solutions through sustainable best practices. By providing our customers with sustainable solutions to enhance the sustainability of their facility care, cleaning process and employee health and safety, together we can share a naturally better tomorrow.

SAFE HANDLING

Before usage, ensure employees read and understand the product labels and Safety Data Sheet. Directions for use can be found on the label and the TDS. Employees can find hazard warnings, precautionary statements and first aid procedures on the SDS sheets. SDS are available online at projectclean.com or by calling 1-800-663-9925. Improper use may result in damage or injury.
