DIRECTIONS

General cleaning:

Hard surfaces such as stainless steel, walls, countertops: Fill spray bottle or bucket with ALL CLEAN RTU. Apply and clean surface with damp microfiber cloth. Add dwell time for tough to clean areas.

NOTE: For 946ml bottle remove cap and replace with trigger sprayer. Ready to use.

Try **ALL CLEAN**, an ECOLOGO® Certified cleaner by Project Clean for a concentrated version of this ready to use product.

General Cleaning

Ready-to-use

STORAGE

Keep from freezing. Store upright in original closed container at room temperature away from children. Do not mix with any other chemicals. Recycle the container where facilities exist.

DESIGNED FOR THE FUTURE™

Our commitment to sustainability means we not only dedicate ourselves to creating greener, healthier and safer cleaning solutions, but also manufacturing our solutions through sustainable best practices. By providing our customers with sustainable solutions to enhance the sustainability of their facility care, cleaning process and employee health and safety, together we can share a naturally better tomorrow.

SAFE HANDLING

Before usage, ensure employees read and understand the product labels and Safety Data Sheet. Directions for use can be found on the label and the TDS. Employees can find hazard warnings, precautionary statements and first aid procedures on the SDS sheets. SDS are available online at projectclean.com or by calling 1-800-663-9925. Improper use may result in damage or injury.
