

ALL DEGREASE & CLEAN

Biological floor degreaser · Deep cleans

-  Kosher Check Certified
-  Food safe
-  Digests grease & protein
-  Improves slip resistance
-  Deodorizes

ALL DEGREASE & CLEAN has a unique blend of bacteria and enzymes to clean floor tile and grout especially in commercial kitchens where appearance and safety are a concern. **ALL DEGREASE & CLEAN's** dual cleaning actions penetrate and suspend while not allowing re-depositing on the floor. With repeated regular cleaning, it will bring most floors back to their original appearance. **ALL DEGREASE & CLEAN** does not contain harmful chemicals such as caustics, acids or solvents. **ALL DEGREASE & CLEAN** reduces grout discolouration and nauseous floor odors.

APPLICATIONS

- Grout
- Tiles
- Hard surfaces
- Floors
- Vinyl
- Concrete

TECHNICAL DATA

Appearance: clear liquid

Color: no colorant added, beige

Foam: moderate

Odor: fresh citrus

pH: 7.0-8.0

Packaging size

4 x 1 Gallon
5 Gallon pail

Packaging codes

A100850-4c2
A100850-5gal

*Recycled plastic is for bottles and jugs

DIRECTIONS

AGITATE CONTAINER BEFORE USE. **ALL DEGREASE & CLEAN** should have a one-week shock period for highly soiled or abused floors.

General Cleaning:

Daily cleaning: Fill a mop bucket with ALL DEGREASE & CLEAN at 1.5 oz per US gallon with hot tap water (less than 140°F/ 60°C) (10 ml/liter) (1:100). Wet mop entire floor as usual. Do not rinse.

Deep cleaning:

Initial and heavy duty cleaning: Fill mop bucket with ALL DEGREASE & CLEAN at 8 oz per US gallon with hot tap water (less than 140°F/ 60°C) (63 ml/liter) (1:16). Sweep floor first, then mop generously on floor surface. Let sit for 5-12 minutes to allow for the solution to penetrate grease and soil and then rinse with hot tap water. Scrub grout in highly soiled areas prior to rinsing. Repeat for 7 days.

General Cleaning

1:100

Deep Cleaning

1:16

STORAGE

Keep from freezing. Store upright in original closed container at room temperature away from children. Do not mix with any other chemicals.

DESIGNED FOR THE FUTURE[™]

Our commitment to sustainability means we not only dedicate ourselves to creating greener, healthier and safer cleaning solutions, but also manufacturing our solutions through sustainable best practices. By providing our customers with sustainable solutions to enhance the sustainability of their facility care, cleaning process and employee health and safety, together we can share a naturally better tomorrow.

SAFE HANDLING

Before usage, ensure employees read and understand the product labels and Safety Data Sheet. Directions for use can be found on the label and the TDS. Employees can find hazard warnings, precautionary statements and first aid procedures on the SDS sheets. SDS are available online at projectclean.com or by calling 1-800-663-9925. Improper use may result in damage or injury.
