Odor: low

pH: 1.4-2.4

Packaging size

12 x 32oz
4 x 1 US gallon

Packaging codes

A100740-12cy
A100740-4c22

*PCR plastic is for bottles and jugs

DIRECTIONS

For heavily soiled or greasy areas, pre-cleaning is required.

To operate: Turn spray nozzle to preferred usage (mist or stream).

To refill: Remove trigger sprayer. Pour in product from refill container and replace trigger.

General Cleaning:

To clean & deodorize: Spray on surface until thoroughly wet, then wipe clean. No rinsing required. To clean heavy soil and grease, allow product to dwell 15-20 seconds to penetrate grease before wiping clean. Repeat if necessary. Rinse and wring cleaning wipe often to avoid streaking.

Disinfecting:

To disinfect: Spray until thoroughly wet. Let stand for 10 minutes, then wipe clean and dry.

To control mold & mildew: Pre-clean hard, non-porous surfaces. Apply DISINFECTING MULTI-SURFACE CLEANER to pre-cleaned surface. Allow 3 minutes contact time, no wiping required. Repeat application at weekly intervals or when mold and mildew growth appear. Does not harm most surfaces.

TIP: On painted surfaces, finished wood floors, marble, or brass, test a small inconspicuous area first. Use of this product on unsealed surfaces may cause staining.

General Disinfection

Ready-to-use

STORAGE

Store in a cool, dry place that is inaccessible to small children. Refillable container. Do not reuse this container with any other product or for any other purpose.

DESIGNED FOR THE FUTURE™

Our commitment to sustainability means we not only dedicate ourselves to creating greener, healthier and safer cleaning solutions, but also manufacturing our solutions through sustainable best practices. By providing our customers with sustainable solutions to enhance the sustainability of their facility care, cleaning process and employee health and safety, together we can share a naturally better tomorrow.

SAFE HANDLING

Before usage, ensure employees read and understand the product labels and Safety Data Sheet. Directions for use can be found on the label and the TDS. Employees can find hazard warnings, precautionary statements and first aid procedures on the SDS sheets. SDS are available online at projectclean.com or by calling 1-800-663-9925. Improper use may result in damage or injury.
