

DESCRIPTION

Satin Finish's unique polymer system is extremely durable extending the film's life, requiring less stripping and recoating. **Satin Finish** can be used on most types of resilient flooring such as linoleum, marmoleum, vinyl sheet and vinyl composite tile. **Satin Finish** provides a matte finish which is great for healthcare or for use in homes for the elderly.

FEATURES & BENEFITS

citrus fragrance • 16% solid • matte finish • good for hospital/care home • excellent leveling and recoatability • non-yellowing

DIRECTIONS

Preparation: Remove old finish with a quality stripper like **#1 Remover** as per label directions. When floor is clean and dry, **Satin Finish** can be applied in thin even coats allowing 20-30 minutes between coats.

Satin Finish can be used without a sealer. However, on a porous floor, it is beneficial to apply 2 coats of a premium sealer like Maxim's **Holdout**.

Application: On non-porous or sealed floors apply 2-3 thin coats of **Satin Finish** allowing 20-30 minutes drying time. Applying more coats will start to build the shine.

Maintenance: Dust mop with treated mop daily. Damp mop with a neutral detergent, like **NeutraMax** or **Orderly** for best results. To recoat traffic lanes when required, scrub with **MultiMax** using a red or blue pad and apply 1-2 fresh coats where required.

FIRST AID

Eyes & Skin: If eye or skin contact occurs, immediately flush with plenty of water for at least 15 minutes. Call a physician. **Inhalation:** Remove to fresh air. Call a physician. **Ingestion:** If swallowed, promptly give plenty of water or milk. Do not induce vomiting. Call a physician.

For further information, please review the Safety Data Sheet (SDS) and Product Label.

STORAGE & HANDLING

Keep from freezing. Store upright in original closed container at room temperature away from children. Do not mix with any other chemicals.

Do not store in aluminum, copper, copper alloys and galvanized containers.

PHYSICAL DATA

Package: 4 x 3.78L cases

Appearance: liquid

Colour: milky white

Foam: low

Odour: no added fragrance

pH: 8.5-9.0
