

DESCRIPTION

Scrub 'N shine Multipurpose contains a mild abrasive that easily removes soap scum, organic residues and hard water salts, scuffs, grease, rubber marks, stubborn stains and floor finish build-ups. **Scrub 'N shine Multipurpose** cleans toilet bowls, sinks, wash basins, urinals, bathtubs and shower stalls, chrome fixtures, copper, brass, stainless steel, porcelain, enamel, ceramic tiles, swimming pools and countless other hard surfaces.

FEATURES & BENEFITS

multi-purpose • non-scratching • pine scent

DIRECTIONS

Shake well before use.

General Cleaning: Squeeze a small amount of **Scrub 'N shine Multipurpose** onto a damp cloth or sponge and wipe over surface. May also be applied directly onto surface. Agitate to loosen soil then rinse with water or remove with a damp sponge.

Metal surfaces: Squeeze a small amount of **Scrub 'N shine Multipurpose** onto a damp cloth or sponge and wipe over surface. May also be applied directly onto surface. Polish with clean, dry cloth to create a bright shine.

On toilet bowls or urinals: Apply **Scrub 'N shine Multipurpose** onto the surface. Use a brush or swab. Scrub soiled area and rinse by flushing.

For soft or delicate surfaces: Test on an inconspicuous place first before using.

All food should be removed or covered prior to use and food contact surfaces are to be thoroughly rinsed with potable water so there will be no contamination of food as a result of its use.

FIRST AID

Eyes & Skin: If eye or skin contact occurs, immediately flush with plenty of water for at least 15 minutes. Call a physician. **Inhalation:** Remove to fresh air. Call a physician. **Ingestion:** If swallowed, promptly give plenty of water or milk. Do not induce vomiting. Call a physician.
