

STAINLESS STEEL SHINE

non-aerosol stainless cleaner and polish

DESCRIPTION

StainlessSteel Shine is a Ready-to-Use, low VOC polishing formulation that cleans and shines stainless steel surfaces without leaving a residue, streaks, or smears. **StainlessSteel Shine** dries quickly to a durable finish and does not show fingerprints.

FEATURES & BENEFITS

low VOCs • low odour • cleans and shines • safe to use • no residue • quick drying • ready-to-use

DIRECTIONS

StainlessSteel Shine is a ready-to-use product, no dilution is required.

1. Spray 6-8 inches (15-20 cm) directly onto metal surface or onto a soft, clean cloth.
2. Wipe in the direction of the natural metal grain, changing to a clean cloth when soiled.

First Aid:

Eyes & Skin: If eye or skin contact occurs, immediately flush with plenty of water for at least 15 minutes. Call a physician. **Inhalation:** Remove to fresh air. Call a physician. **Ingestion:** If swallowed, promptly give plenty of water or milk. Do not induce vomiting. Call a physician.

For further information, please review the **Safety Data Sheet (SDS)** and Product Label.

Storage & Handling:

Keep from freezing. Store upright in original closed container at room temperature away from children.
