Color: tan

Foam: high

Odor: apple

pH: 6.5-8.5

Packaging size

4 x 1 US gallon

Packaging codes

A100800-4c22

*PCR plastic is for bottles and jugs

DIRECTIONS

General cleaning:

For hand-washing of dishes, crockery, cutlery, pots and pans: Fill sink or basin with 0.5-2 oz of POT & PAN CLEAN per US gallon (1-4 ml/liter) (1:1000-1:256). Wash glasses and cups first followed by more soiled items. Grease, oils and food particles are removed by POT & PAN CLEAN to give clean, soil-free surfaces.

TIP: Do not use POT & PAN CLEAN in automatic dishwashers.

FOR USE IN FOOD PLANTS: All food should be removed or covered prior to use and food contact surfaces are to be thoroughly rinsed with potable water so there will be no contamination of food as a result of its use.

General Cleaning

1:1000-1:256

STORAGE

Store in a cool, dry place. Keep container tightly closed. Store locked up. Keep from freezing. Store upright in original closed container at room temperature away from children. Do not mix with any other chemicals.

DESIGNED FOR THE FUTURE™

Our commitment to sustainability means we not only dedicate ourselves to creating greener, healthier and safer cleaning solutions, but also manufacturing our solutions through sustainable best practices. By providing our customers with sustainable solutions to enhance the sustainability of their facility care, cleaning process and employee health and safety, together we can share a naturally better tomorrow.

SAFE HANDLING

Before usage, ensure employees read and understand the product labels and Safety Data Sheet. Directions for use can be found on the label and the TDS. Employees can find hazard warnings, precautionary statements and first aid procedures on the SDS sheets. SDS are available online at projectclean.com or by calling 1-800-663-9925. Improper use may result in damage or injury.
