

RESTROOM CLEAN NATURAL

Bio-based ingredients · Safe for all types of fixtures

- ECOLOGO® Certified
- Highly concentrated
- Non-corrosive
- Plant-based biodegradable ingredients
- Removes scale and mineral deposits
- Phosphate free

RESTROOM CLEAN NATURAL is a complete restroom and fixture cleaner that keeps basins, showers, bowls, urinals and restroom surfaces clean in one easy step. This mild acidic solution easily removes soap film, body oils, makeup and minerals deposit, keeping your space clean while using bio-based ingredients. **RESTROOM CLEAN NATURAL** can also be used to polish high-gloss surfaces such as chrome and stainless steel and is effective at removing stubborn stains from ceramic tiles and grout.

APPLICATIONS

- Hard surfaces
- Sinks
- Urinals
- Toilet bowls
- Faucets
- Shower stalls
- Trash area & bins
- Tiles

TECHNICAL DATA

Appearance: clear liquid

Color: colorless

Foam: moderate

pH: 2.0

Packaging size

4 x 1 US gallon

Packaging codes

A100920-4c22

Also available as an RTU product

**PCR plastic is for bottles and jugs*

DIRECTIONS

Unheated tap water should be used for dilution.

Light Soap, Soap Film and Body Oil Removal: Fill spray bottle or bucket with RESTROOM CLEAN NATURAL at 2 oz per US gallon of water (16 ml/liter) (1:64).

Moderate Soil - For removing hard water deposits or heavy soil accumulations: Fill spray bottle or bucket with RESTROOM CLEAN NATURAL at 3-4 oz per US gallon of water (24-32 ml/liter) (1:42-1:32).

Stainless Steel, Partitions and Other restroom surfaces: Fill spray bottle or bucket with RESTROOM CLEAN NATURAL at 3 oz per US gallon of water (24 ml/liter) (1:42). Clean then polish using a clean, dry towel.

1. Use a sprayer, hand bucket, swab, brush, microfibre wipe, or mechanical sprayer device and simply apply the solution to the surface and wipe clean.

TIP: When using on sensitive surfaces, such as marble, test a small space for discoloration before using.

2. Allow time for the chemical action to begin dissolving soils including hard water deposits.

3. If needed, scrub, using a mild abrasive pad, brush or doodlebug.

4. Rinsing is typically not necessary. Use RESTROOM CLEAN NATURAL at full strength for those hard to clean areas in your washroom.

Light cleaning

1:64

Moderate cleaning

1:42-1:32

Other surfaces

1:42

STORAGE

Keep from freezing. Store upright in original closed container at room temperature away from children. Do not mix with any other chemicals.

DESIGNED FOR THE FUTURE™

Our commitment to sustainability means we not only dedicate ourselves to creating greener, healthier and safer cleaning solutions, but also manufacturing our solutions through sustainable best practices. By providing our customers with sustainable solutions to enhance the sustainability of their facility care, cleaning process and employee health and safety, together we can share a naturally better tomorrow.

SAFE HANDLING

Before usage, ensure employees read and understand the product labels and Safety Data Sheet. Directions for use can be found on the label and the TDS. Employees can find hazard warnings, precautionary statements and first aid procedures on the SDS sheets. SDS are available online at projectclean.com or by calling 1-800-663-9925. Improper use may result in damage or injury.
