

## BASIC BILGE CLEANER

alkaline bilge cleaner

### DESCRIPTION

**Basic Bilge Cleaner** works great in your bilge and can also be used to clean almost anything on your boat. To keep the bilge clean, be sure to there is always some bilge cleaner in the bilge. **Basic Bilge Cleaner** will emulsify grease, oil and fuel spills before they can coat the bilge surfaces.

**Basic Bilge Cleaner** contains quaternary ammonium compounds. When used directly, **Basic Bilge Cleaner** can sanitize most hard, non-porous surfaces.

### FEATURES & BENEFITS

multi-purpose cleaner • biodegradable • non-flammable • environmentally friendly • water soluble • no harmful solvents • contains quat

### DIRECTIONS

**For General Cleaning:** Use 2 oz (16 ml) **Basic Bilge Cleaner** for every 4 feet of water line length. Add directly to the bilge water. Allow the natural motion of the boat to clean the bilge, then pump out. Repeat if necessary.

**For Deck and Floor Swabbing:** Use 6.4 oz per US gallon of water (50 ml/litre) (1:20) and apply with a brush or mop. Brush as required and hose down with water.

**For Sanitizing Hard, Non-Porous Surfaces:** 200ppm active quat. Use 4.5 oz per US gallon of water (34 ml/litre) (1:30). A suitable concentration/ppm testing method must be available and used regularly to ensure correct sanitizer levels. Sanitized surface must be air-dried. All food should be removed or covered prior to use and food contact surfaces are to be thoroughly rinsed with potable water so there will be no contamination of food as a result of its use.

### FIRST AID

**Eyes & Skin:** If eye or skin contact occurs, immediately flush with plenty of water for at least 15 minutes. Call a physician. **Inhalation:** Remove to fresh air. Call a physician. **Ingestion:** If swallowed, promptly give plenty of water or milk. Do not induce vomiting. Call a physician.

For further information, please review the **Safety Data Sheet (SDS)** and **Product Label**.

### PHYSICAL DATA

Package: 4 x 3.78L cases

Appearance: clear liquid

Colour: blue

Foam: low

Odour: low to none

pH: 11.5-12.5
