

DESCRIPTION

Citricon is a heavy duty, highly alkaline liquid detergent containing a blend of surfactants and solvents. **Citricon** is formulated with d-limonene and glycols which give the penetration and solubilization required to remove high concentrations of oils and grease, it also has optical brightener which makes clothing look whiter, brighter and cleaner. **Citricon** is designed for industrial and commercial soils that appear on table linens, coveralls, and shop towels. **Citricon** can also be used as a fabric pre-spotter.

FEATURES & BENEFITS

Heavy duty • highly alkaline • contains d-limonene • can be used as pre-spotter • contains optical brightener

DIRECTIONS

Citricon can be dispensed directly from the shipping container by your liquid laundry injection system. If pre-spotting is required, apply **Citricon** directly to the soiled areas and launder as usual.

FIRST AID

Eyes & Skin: If eye or skin contact occurs, immediately flush with plenty of water for at least 15 minutes. Call a physician. **Inhalation:** Remove to fresh air. Call a physician. **Ingestion:** If swallowed, promptly give plenty of water or milk. Do not induce vomiting. Call a physician.

For further information, please review the Safety Data Sheet (SDS) and Product Label.
