

DESCRIPTION

Combat is a highly concentrated, heavy duty, alkaline detergent for automatic machine washing of cutlery, dishes, glasses, plasticwares, pots and pans. **Combat** is specifically formulated for use in hard water areas where minerals in the water cause poor results. **Combat** should not be used for manual cleaning.

FEATURES & BENEFITS

Canadian Food Inspection Agency (CFIA) approved • for automatic machine washing • heavy duty alkaline detergent • excellent in hard water • for both low- and high-temp machines

DIRECTIONS

Dishwashing: Dispensed directly from the container into the machine. **Combat** is designed for both low and high temperature machines.

Glasswashing: Dispensed directly from the container into the glass washer. For lo-temp machines, items should be rinsed with a sanitizing rinse solution.

FIRST AID

Eyes & Skin: If eye or skin contact occurs, immediately flush with plenty of water for at least 15 minutes. Call a physician. **Inhalation:** Remove to fresh air. Call a physician. **Ingestion:** If swallowed, promptly give plenty of water or milk. Do not induce vomiting. Call a physician.

For further information, please review the Safety Data Sheet (SDS) and Product Label.

STORAGE & HANDLING

Keep from freezing. Store upright in original closed container at room temperature away from children. Avoid breathing dust. Do not get in eyes, skin or clothing. Do not mix with any other chemicals.

This material is corrosive. Wear eye and skin protection when handling.
