

### DESCRIPTION

**Digest** is a living, non-pathogenic bacterial treatment, which breaks down and liquefies solids such as fats, proteins, carbohydrates and grease. The carefully cultivated bacteria are the active components behind **Digest**'s ability to quickly break down waste and eliminate odours. With over 200 billion spores per gallon, the synergized blend of multi-strain bacteria in **Digest** remain 100% active until their work is done, at which time they begin rebuilding their colonies to replace fatalities and the cycle is repeated, resulting in a successful ongoing drain or grease trap maintenance program. **Digest** is used in institutional grease traps to eliminate the build-up of grease which in time has to either be cleaned by hand or by expensive pump-out methods. **Digest** converts the grease into liquid which flows down the drain causing no further problems.

### FEATURES & BENEFITS

highly concentrated • bacterial based • ideal for grease trap • over 200 billion spores per gallon • clean and deodorizes

### DIRECTIONS

**Bathroom maintenance and odour control:** Spray directly.

**Grease trap:** Apply concentrate into a drain nearest to trap. It can be applied manually or with an automatic feed pump. Add from 3 - 33 fluid ounces (100 to 1000 mL) per day, depending on the number of meals served. Follow direction on label for exact amounts. As a stain remover, use prior to main wash or as a pre-soak. Allow 15 minutes to activate. Use at a rate of 1:64 with warm water as a detergent on any surface.

### First Aid

**Eyes & Skin:** If eye or skin contact occurs, immediately flush with plenty of water for at least 15 minutes. Call a physician. **Inhalation:** Remove to fresh air. Call a physician. **Ingestion:** If swallowed, promptly give plenty of water or milk. Do not induce vomiting. Call a physician.

For further information, please review the Safety Data Sheet (SDS) and Product Label.

### PHYSICAL DATA

Package: 12 x 0.946L cases, 4 x 3.78L cases,  
2 x 10L case, 18.9L pails & 208L drums

Appearance: opaque liquid

Colour: white

Foam: low

Odour: pleasant fragrance

pH: neutral
