

DESCRIPTION

Ends Odour is formulated with special deodorizers that neutralize offending odours. **Ends Odour** has some cleaning capability but works primarily as a carpet cleaning solution additive that filters out the malodors associated with food, chemical processes, animals and smoke. **Ends Odour** is not a bactericide, fungicide or sanitizer but works to effectively counteract odour-causing chemicals.

FEATURES & BENEFITS

professional deodourizer • fresh mint fragrance • carpet cleaning additive

DIRECTIONS

Odour Control Additive: Use 8 ml of **Ends Odour** per litre of diluted cleaner you are using (1 oz/gal) (1:128), or more depending on odour control requirements.

Carpet Cleaning Additive: To eliminate smoke, urine, vomit, mildew, and other unpleasant odours, use 8 ml of **Ends Odour** per litre of diluted carpet shampoo (1 oz/gal) (1:128), or more depending on requirements, in hot water extractors and shampoo machines.

Automatic scrubbing machines: Use 36 ml per 4.5 litre (1 oz/gal) (1:128) of rinse water in automatics, mopping tanks and buckets to eliminate "wet floor" odour.

Rooms and spray applications: Add 15 – 24 ml per 946 ml trigger sprayer (2 - 3 oz/gal) (1:64 - 1:42) of cold water. Spray lightly in air, on drapes, in corners, or on carpeting to destroy offensive odours. Very effective and will not stain sheets, drapes or clothing.

For toilets, urinals, garbage receptacles and dumpsters: Use full strength for urinals, toilets, garbage receptacles or dumpsters to remove odours. Squirt a few drops of undiluted deodorant into bed pans and drainage bottles.

FIRST AID

Eyes & Skin: If eye or skin contact occurs, immediately flush with plenty of water for at least 15 minutes. Call a physician. **Inhalation:** Remove to fresh air. Call a physician. **Ingestion:** If swallowed, promptly give plenty of water or milk. Do not induce vomiting. Call a physician.

For further information, please review the Safety Data Sheet (SDS) and Product Label.

PHYSICAL DATA

Package: 4 x 3.78L cases

Appearance: clear liquid

Colour: bright green

Foam: low

Odour: strong mint

pH: 6.5-8.0
