

DESCRIPTION

Holdout is scientifically formulated for use on a wide variety of non-wood flooring surfaces, including resilient, concrete, terrazzo and unglazed quarry tile. Since **Holdout** is a sealer, we recommend that any one of our floor finishes be used as a final topcoat such as **Max Shine**.

FEATURES & BENEFITS

resists staining and spills • semi-permanent sealer

DIRECTIONS

To seal interior, aged concrete floors that are subject to foot and hand-cart traffic follow these directions.

Preparation: Strip the floor with **#1 Remover** then pick up spent solution with a mop or wet-vac making sure the solution does not dry. Rinse floor with **NeutraMax** as per label instructions. Allow the floor to dry for 1 - 2 hours.

Application: Use a clean finish mop, either fine string or candy striped. Pre-wet with water and wring out mop to conserve finish. Apply an even coat of **Holdout** with a mop. On very porous surfaces a second coat may be applied. Allow 30 - 40 minutes between coats. **Holdout** can be top coated with any one of Project Clean's quality floor finishes.

When applying to new concrete (which must be no less than 90 days old) the surface must be acid washed and rinsed well before using **Holdout**. **Holdout** covers 1000 to 2000 square feet per gallon depending on porosity of flooring. It may be removed with a solution of **#1 Remover** at a use dilution of 128 oz per gallon of water (1000 ml/litre) (1:1).

FIRST AID

Eyes & Skin: If eye or skin contact occurs, immediately flush with plenty of water for at least 15 minutes. Call a physician. **Inhalation:** Remove to fresh air. Call a physician. **Ingestion:** If swallowed, promptly give plenty of water or milk. Do not induce vomiting. Call a physician.

For further information, please review the **Safety Data Sheet (SDS)** and **Product Label**.

PHYSICAL DATA

Package: 4 x 3.78L cases & 18.9L pails

Appearance: liquid

Colour: milky white

Foam: low

Odour: mild to no odor, no added fragrance

pH: 8.0-8.5

ProjectClean.com

1607 Derwent Way, Delta, BC, Canada V3M 6K8
1-800-663-9925

Product codes:

1300600-4cs

1300600-18.9

STORAGE & HANDLING

Keep from freezing. Store upright in original closed container at room temperature away from children. Do not mix with any other chemicals.
