

DESCRIPTION

Hydrogenic is a hydrogen peroxide-based cleaner that reduces odours. **Hydrogenic** has low toxicity, does not contain any harmful chemicals such as butyl cellulose, caustics, acids, phosphates and ammonia. **Hydrogenic** is CFIA approved and can be used to sanitize food contact, hard, and non-porous surfaces. It can also be used to brighten and deodorize garbage cans, chopping blocks, washroom areas and kitchen sinks.

FEATURES & BENEFITS

EcoLogo™ certified • Canadian Food Inspection Agency (CFIA) approved • multi-purpose cleaner • sanitizes food contact surfaces • non-toxic • biodegradable ingredients • citrus scent • brightens and deodorizes • emulsifies grease, grime and dirt

DIRECTIONS

Daily damp mop cleaning: Use 1-2 oz. per US gallon of cold water (8-16 ml/litre) (1:64-1:128) Note: BacStop mops are not recommended for use with this product.

General cleaning and deodorizing: Use 4 oz. per US gallon of cold water (32 ml/litre) (1:32).

Cleaning and whitening ceiling tiles and stippled ceilings: Mist on at 32 oz. per US gallon of cold water (250 ml/litre) (1:4). Be sure to cover everything below ceiling.

For General Sanitizing of Food Contact and Hard Surfaces: 1100ppm active HYDROGEN PEROXIDE. Dilute 1 part Hydrogenic with 30 parts water. (32.5mL/litre) (4.2 fl. oz per US gal.)

Ensure surfaces are cleaned (i.e. organic matter and debris are removed) prior to sanitizing. A suitable concentration/ppm testing method must be available and used regularly to ensure correct sanitizer levels. Sanitized surface must be air-dried. All food should be removed or covered prior to use and food contact surfaces are to be thoroughly rinsed with potable water so there will be no contamination of food as a result of its use.

FIRST AID

Eyes & Skin: If eye or skin contact occurs, immediately flush with plenty of water for at least 15 minutes. Call a physician. **Inhalation:** Remove to fresh air. Call a physician. **Ingestion:** If swallowed, promptly give plenty of water or milk. Do not induce vomiting. Call a physician.

For further information, please review the Safety Data Sheet (SDS) and Product Label.

PHYSICAL DATA

Package: 4 x 3.78L cases,
18.9L pails, 2 x 10L cases

Appearance: clear liquid

Colour: colourless

Foam: high

Odour: citrus scent

pH: 5.5-6.5
