

DESCRIPTION

Intern is an all-purpose liquid spray and wipe cleaner that cleans and deodorizes walls, countertops, bathtubs, toilets, sinks, garbage cans, floors and diaper pails. **Intern** also cleans tough soils such as ink, crayon, lipstick, smoke damage, tar and pitch deposits, oil stains (including those on concrete), animal, vegetable and mineral soils. **Intern** contains a quaternary compound that can be used to sanitize food contact surfaces. **Intern** can be used to clean large surfaces such as walls, stainless steel, glass, plastics, laminates, vinyl, porcelain, slate or fiberglass.

FEATURES & BENEFITS

multi-purpose • pine scented • contains quaternary compound • sanitizes food contact surfaces

DIRECTIONS

To spot clean heavily soiled and smoke damaged surfaces: Spray full strength and wipe off. Let stubborn spots soak for a few minutes before wiping off.

For large surfaces: Use 13 oz per gallon of water (100 ml/litre) (1:10).

To clean floors: Use 1.6 oz per gallon of water (12.5 ml/litre) (1:80) for wet mopping or auto scrubbing. Carpet traffic lane pre-spray for oil and stain removal: Use 6.5 oz per gallon of water (50 ml/litre) (1:20) and apply with a garden type pump sprayer.

No-rinse sanitizer for food contact surface: 200ppm active QUATS. Dilute 1 part Intern with 30 parts water. (32mL/litre)(4 fl. oz per US gal.)

A suitable concentration/ppm testing method must be available and used regularly to ensure correct sanitizer levels. Sanitized surface must be air-dried. All food should be removed or covered prior to use and food contact surfaces are to be thoroughly rinsed with potable water so there will be no contamination of food as a result of its use.

FIRST AID

Eyes & Skin: If eye or skin contact occurs, immediately flush with plenty of water for at least 15 minutes. Call a physician. **Inhalation:** Remove to fresh air. Call a physician. **Ingestion:** If swallowed, promptly give plenty of water or milk. Do not induce vomiting. Call a physician.

For further information, please review the Safety Data Sheet (SDS) and Product Label.

PHYSICAL DATA

Package: 4 x 3.78 L cases

Appearance: clear liquid

Colour: light blue

Foam: moderate

Odour: pine

pH: 11.0-12.0
