

### DESCRIPTION

**Max Laundry Detergent** is a phosphate-free liquid detergent for all laundry fabrics: cotton, wool, synthetics, and blends with effective cleaning action at warm and hot water temperatures. Optical brighteners assure whiter whites and brighter colours. Special wetting agents break the chemical bond between oily stains and polyester fibres for even cleaner results. A unique blend of ingredients controls foam to prevent loss of wash action. **Max Laundry Detergent** does not contain any enzymes so it's gentle enough for hand washing wool garments.

### FEATURES & BENEFITS

biodegradable ingredients • phosphate-free • brighteners included in formulation • excellent stain removal • gentle for wool garments • no enzymes

### DIRECTIONS

**Max Laundry Detergent** features improved wetting agent activity, providing fast, deep cleaning penetration of fabrics and better results at more economical concentrations with an environmentally sound formulation. Good for use in front load high efficiency washers.

**Agitator machines:** Light soil: 30 - 60 mL/load. Heavy soil: 60 - 120 mL/load

**Tumbler machines:** Light soil: 30 - 60 mL/45Kg of linen. Heavy soil: 120 - 240 mL/45Kg of linen

**Pre-spotting:** To remove difficult stains use full strength, prior to washing.

**Pre-soaking:** Use 90 ml per 45 L of water. Let fabric soak overnight.

### FIRST AID

**Eyes & Skin:** If eye or skin contact occurs, immediately flush with plenty of water for at least 15 minutes. Call a physician. **Inhalation:** Remove to fresh air. Call a physician. **Ingestion:** If swallowed, promptly give plenty of water or milk. Do not induce vomiting. Call a physician.

For further information, please review the **Safety Data Sheet (SDS)** and **Product Label**.

### PHYSICAL DATA

Package: 4 x 3.78L cases, 18.9L pails, 2 x 10L cases & 55L kegs

Appearance: liquid

Colour: greenish blue

Foam: medium

Odour: pleasant

pH: neutral
