

DESCRIPTION

Max Pro Detergent is a highly concentrated, heavy duty alkaline detergent for automatic machine washing of cutlery, dishes, glasses, plasticwares, pots and pans.

FEATURES & BENEFITS

for automatic machine washing • heavy duty alkaline dish detergent • removes lipstick, sugar, cream and other difficult soils • keeps dishwasher clean and scale free • for both low and high temp machines • for soft water condition

DIRECTIONS

Dishwashing: Dispensed directly from the container into the machine by the Project Clean Automatic Detergent Controller. For both low and high temperature machines.

Glasswashing: Dispensed directly from shipping container into the glass washer. For low temperature warewash machines, items should be rinsed with a sanitizing rinse solution. This product should not be used for manual cleaning.

FIRST AID

Eyes & Skin: If eye or skin contact occurs, immediately flush with plenty of water for at least 15 minutes. Call a physician. **Inhalation:** Remove to fresh air. Call a physician. **Ingestion:** If swallowed, promptly give plenty of water or milk. Do not induce vomiting. Call a physician.

For further information, please review the **Safety Data Sheet (SDS)** and **Product Label**.
