

DESCRIPTION

Truck 'N Bus is a liquid pressure wash compound for trucks, buses and other vehicles. It dissolves road film to leave a bright, sparkling clean surface on the vehicle. When used as directed, Truck 'N Bus is safe on glass, aluminum, quality automotive and machinery coatings. Truck 'N Bus contains water softeners which makes it ideal for hard water conditions.

FEATURES & BENEFITS

dissolves road film without brushing • safe to use • for hard water conditions • touchless vehicle cleaner • high foaming • safe on all types of surfaces

DIRECTIONS

Dilute 4 oz of Truck 'N Bus per US gallon of water (32 ml/litre) (1:32) and spray on surface. Direct the spray from the bottom to the top of the vehicle. Allow solution to work for 3 to 5 minutes. Rinse with a high-pressure washer. Do not allow solution to dry on the surface.

For summer use, dilute 2 to 3 oz per US gallon of water (16 to 25 ml/litre) (1:64 to 1:40) and follow the same procedures. Due to the unique cleaning action of Truck 'N Bus, hot water is not necessary.

FIRST AID

Eyes & Skin: If eye or skin contact occurs, immediately flush with plenty of water for at least 15 minutes. Call a physician. **Inhalation:** Remove to fresh air. Call a physician. **Ingestion:** If swallowed, promptly give plenty of water or milk. Do not induce vomiting. Call a physician.

For further information, please review the Safety Data Sheet (SDS) and Product Label.

STORAGE & HANDLING

Keep from freezing. Store upright in original closed container at room temperature away from children. Do not mix with any other chemicals.

PHYSICAL DATA

Package: 18.9L pails
& 208L drums

Appearance: clear liquid

Colour: yellow

Foam: moderate to high

Odour: mild

pH: 12.0-13.0
