

CREAM CLEANSER NATURAL

Multi-purpose cleanser · Bio-based ingredients

-  Plant-based biodegradable ingredients
-  Green Seal certified®
-  Ready to use formula
-  Removes difficult soils
-  Non-scratching
-  Food safe

CREAM CLEANSER NATURAL is a multi-purpose plant-based cleanser that easily removes soap scum, organic residues and hard water salts, scuffs, grease, rubber marks and stubborn stains while using bio-based ingredients. CREAM CLEANSER NATURAL is formulated to penetrate and remove difficult soils, rust tarnish, and other similar deposits from oxidized metal surfaces, leaving surfaces cleaner and brighter.

APPLICATIONS

- Metal surfaces
- Hard surfaces
- Toilet bowls
- Urinals
- Sinks & faucets
- Shower stalls
- Chrome fixtures
- Porcelain
- Countertops
- Ceramic tiles

pH: 8.0-9.0

Packaging size

6 x 32oz
12 x 32oz

Packaging codes

A100940-6c24
A100940-12cy

*PCR plastic is for bottles and jugs

DIRECTIONS

AGITATE CONTAINER BEFORE USE.

General Cleaning:

Squeeze a small amount of CREAM CLEANSER NATURAL onto a damp cloth and wipe over surface. Agitate to loosen soil then rinse with water or a damp cloth. On metal surfaces, polish with a clean, dry cloth to create a bright shine.

Toilets & urinals:

Squeeze a small amount of CREAM CLEANSER NATURAL onto a brush or swab. Scrub soiled area and rinse by flushing.

Soft or delicate surfaces: Test on an inconspicuous place first before using.

NOTE: Difficult stains will require dwell time. This product is specially formulated to safely remove rust tarnish and other similar deposits from oxidized metal surfaces.

FOR USE IN FOOD PLANTS: All food should be removed or covered prior to use and food contact surfaces are to be thoroughly rinsed with potable water so there will be no contamination of food as a result of its use.

General cleaning | Toilets and urinals | Soft or delicate surfaces

Ready to use

STORAGE

Keep from freezing. Store upright in original closed container at room temperature away from children. Do not mix with any other chemicals.

DESIGNED FOR THE FUTURE™

Our commitment to sustainability means we not only dedicate ourselves to creating greener, healthier and safer cleaning solutions, but also manufacturing our solutions through sustainable best practices. By providing our customers with sustainable solutions to enhance the sustainability of their facility care, cleaning process and employee health and safety, together we can share a naturally better tomorrow.

SAFE HANDLING

Before usage, ensure employees read and understand the product labels and Safety Data Sheet. Directions for use can be found on the label and the TDS. Employees can find hazard warnings, precautionary statements and first aid procedures on the SDS sheets. SDS are available online at projectclean.com or by calling 1-800-663-9925. Improper use may damage surfaces and increase the risk of health effects.
