KITCHEN CARE

Cutlery Pre-Soak

Silver pre-soak & wash · Dries streak-free

CUTLERY PRE-SOAK is a white, granular compound specifically designed to pre-soak or wash silver and other delicate metal objects adversely affected by chemicals such as chlorine. CUTLERY PRE-SOAK will eliminate the problems caused by other types of pre-soaks when soaking silver. CUTLERY PRE-SOAK's chemical composition reduces deterioration of most metals' sensitive to chemicals and leaves silverware sparkling clean and spot-free.

- Can be used manually or in automatic dishwashers
- Granular compound makes measuring & dispensing easy
- KosherCheck certified
- Delicate treatment for your silver or other metals adversely affected by chlorine

APPLICATIONS

Glassware
Silverware
Dishware
Cookware
Appliances
Pots & Pans
Porcelain

TECHNICAL DATA

Appearance: granular
Colour: blue
Foam: low
Odour: no added fragrance
pH: alkaline

Packaging size
10 kg

Packaging codes
1100620-10kg

DIRECTIONS

Pre-soaking: Line a plastic container with aluminum foil, add hot water and add 2 scoops of CUTLERY PRE-SOAK. Leave the silver in this solution for 10-15 minutes. Change water after each use.

In an automatic dishwasher: Use 28g or one heaping tablespoon of CUTLERY PRE-SOAK for each 22.5 litres of water in the wash tank of the dishwashing machine. If the machine is used for continuous washing without renewal of water, it will be necessary to add 56g or two heaping tablespoons of CUTLERY PRE-SOAK for each half hour of continuous operation.

NOTE: DO NOT use in water temperature that's above 65 °C (150 °F).

Application:

Automatic Dishwasher	**28g/22.5L**

STORAGE

Keep from freezing. Store upright in closed container at room temperature away from children. Do not mix with any other chemicals. Store locked up. Store in a dry, cool, well-ventilated place. Keep container tightly closed.

SAFE HANDLING

Before usage, ensure employees read and understand the product labels and Safety Data Sheet. Directions for use can be found on the label and the TDS. Employees can find hazard warnings, precautionary statements and first aid procedures on the SDS sheets. SDS are available online at projectclean.com or by calling 1-800-663-9925. Improper use may result in damage or injury.
