

LAUNDRY CARE

# HD Laundry

Laundry powder detergent · For warm or hot water applications

HD LAUNDRY detergent is designed for use in warm or hot water. HD LAUNDRY combines detergents and alkaline builders to provide a ready to use, one step product. It is a heavy-duty detergent that is not intended for hand washing. Do not use on wool or fine fabrics.

- Combines detergents and alkaline builders
- Economical (only 75 grams per load)
- Works in hard or soft water
- No additives required

## APPLICATIONS

Commercial Laundry  
Domestic Laundry

## TECHNICAL DATA

**Appearance:** powder  
**Colour:** blue  
**Foam:** low  
**Odour:** lemon  
**pH:** alkaline

**Packaging size**  
10kg

**Packaging codes**  
P200900-10kg

# PROMAX®

## DIRECTIONS

### Normal Washing:

75 grams HD LAUNDRY per load. Less or more may be used depending on the soil condition of the wash load, the size of the machine and the amount of hardness of water in the machine. Before selecting the temperature of water for the machine, determine the type of fabric to be washed and select the correct temperature recommended by the fabric manufacturer. Some machines will have settings for different fabrics on the temperature dial (wool, nylon, cotton, synthetics, etc.).

**FOR USE IN FOOD PLANTS:** All food should be removed or covered prior to use and food contact surfaces are to be thoroughly rinsed with potable water so there will be no contamination of food due to its use.

### Application:

Normal Washing      75g/load

---

## STORAGE

Keep from freezing. Store upright in closed container at room temperature away from children. Do not mix with any other chemicals.

## SAFE HANDLING

Before usage, ensure employees read and understand the product labels and Safety Data Sheet. Directions for use can be found on the label and the TDS. Employees can find hazard warnings, precautionary statements and first aid procedures on the SDS sheets. SDS are available online at [projectclean.com](http://projectclean.com) or by calling 1-800-663-9925. Improper use may result in damage or injury.
