

LAUNDRY CARE

HE Max Detergent

High efficiency laundry detergent • Low foaming

HE MAX DETERGENT is a high-efficiency laundry detergent that provides excellent cleaning with the right level of sudsing for high-efficiency washers. This environmentally sound formulation contains a variety of enzymes targeted at oils, proteins and starches and is very effective at all water temperatures. Safe for cottons, synthetics and blends. HE MAX DETERGENT helps to save time, water and energy.

- No bleaching agents
- Few suds and disperses quickly
- Phosphate-free
- Contains enzyme blends

Odour: fresh scent

pH: 7.5-8.5

Packaging size

4x3.78L
18.9L pail

Packaging codes

1200455-4cs
1200455-18.9

PROMAX®

DIRECTIONS

HE MAX DETERGENT is designed to be dispensed directly from the shipping container by your liquid laundry dispenser.

Agitator Machines (Top Loading):

Light soil: Use 30-60 mL (1-2 oz) per load.

Heavy soil: Use 60-120 mL (2-4 oz) per load.

Tumbler Machines (Front Loading):

Light soil: Use 60-120 mL (2-4 oz) per 45 kg of linen.

Heavy soil: Use 120-240 mL (4-8 oz) per 45 kg of linen.

Pre-spotting: To remove difficult stains, use full strength prior to washing.

Presoaking: Use 90 ml per 45 L (0.25 oz/gallon) (1:256) of water. Let fabric soak overnight.

FOR USE IN FOOD PLANTS: All food should be removed or covered prior to use and food contact surfaces are to be thoroughly rinsed with potable water so there will be no contamination of food as a result of its use.

Application:

Agitator Machines

Light soil	30-60ml/load
Heavy soil	60-120ml/load

Tumbler Machines

Light soil	60-120ml/load
Heavy soil	120-240ml/load

Pre-spotting	Ready to use
Presoaking	1:256

STORAGE

Keep from freezing. Store upright in closed container at room temperature away from children. Do not mix with any other chemicals.

SAFE HANDLING

Before usage, ensure employees read and understand the product labels and Safety Data Sheet. Directions for use can be found on the label and the TDS. Employees can find hazard warnings, precautionary statements and first aid procedures on the SDS sheets. SDS are available online at projectclean.com or by calling 1-800-663-9925. Improper use may result in damage or injury.
