

LAUNDRY CARE

Max Laundry Detergent

All-purpose laundry detergent • Enzyme and Phosphate-free

MAX LAUNDRY DETERGENT is a closed-looped, phosphate-free liquid detergent for all laundry fabrics such as cotton, wool, synthetics, and blends with effective cleaning action at warm and hot water temperatures. Optical brighteners assure whiter whites and brighter colours. Special wetting agents break the chemical bond between oily stains and polyester fibres for even cleaner results. A unique blend of ingredients controls foam to prevent loss of wash action. MAX LAUNDRY DETERGENT does not contain any enzymes so it's gentle enough for hand washing wool garments.

- Closed-loop system
- Biodegradable ingredients
- Brighteners included in formulation
- Removes stains

APPLICATIONS

Commercial Laundry dilution systems

DIRECTIONS

MAX LAUNDRY DETERGENT is designed to be dispensed directly from the shipping container by your liquid laundry dispenser.

Presoaking:

Use 90 ml per 45 litres of water (3 oz/12 gal). Let fabric soak overnight. To remove difficult stains, use full strength prior to washing.

Tumbler Machines:

Light soil: Use 60-120 ml per 45 kg (2-4 oz/100lbs) of linen.

Heavy soil: Use 120-240 ml per 45 kg (4-8 oz/100lbs) of linen.

Agitator Machines:

Light soil: Use 30-60 ml (1-2 oz) per load.

Heavy soil: Use 60 - 120 ml (2-4 oz) per load.

FOR USE IN FOOD PLANTS: All food should be removed or covered prior to use and food contact surfaces are to be thoroughly rinsed with potable water so there will be no contamination of food as a result of its use.

Application:

Presoaking	90ml/45L
Tumbler Machines:	
Light soil	60-120ml/45kg
Heavy soil	120-240ml/45kg
Agitator Machines:	
Light soil	30-60ml/load
Heavy soil	60-120ml/load

STORAGE

Keep from freezing. Store upright in closed container at room temperature away from children. Do not mix with any other chemicals. Store in a dry, cool, well-ventilated place.

SAFE HANDLING

Before usage, ensure employees read and understand the product labels and Safety Data Sheet. Directions for use can be found on the label and the TDS. Employees can find hazard warnings, precautionary statements and first aid procedures on the SDS sheets. SDS are available online at projectclean.com or by calling 1-800-663-9925. Improper use may result in damage or injury.
