Any surfaces exposed to cooking residue

TECHNICAL DATA

Appearance: liquid

Colour: blue

Foam: moderate

Odour: citrus

pH: 10.0

Packaging size

4 x 3.78 L

Packaging codes

P300700-4cs

PROMAX®

DIRECTIONS

General Cleaning: Dilute GREASE CUTTER at 1-50 ml per litre of water (6.5-15oz/gal) (1:80-1:20) depending on soil conditions. Apply with sprayer or cloth. Gently agitate for heavy build up and wipe clean. Rinse well after use.

Kitchen canopy flush systems: Use full strength. Apply using sprayer or cloth. Agitate for heavy build up and wipe clean. Rinse well after use.

FOR USE IN FOOD PLANTS: All food should be removed or covered prior to use and food contact surfaces are to be thoroughly rinsed with potable water so there will be no contamination of food as a result of its use.

Application:

General cleaning	1:80-1:20
Kitchen canopy flush system	Full strength

STORAGE

Keep from freezing. Store upright in closed container at room temperature away from children. Do not mix with any other chemicals.

SAFE HANDLING

Before usage, ensure employees read and understand the product labels and Safety Data Sheet. Directions for use can be found on the label and the TDS. Employees can find hazard warnings, precautionary statements and first aid procedures on the SDS sheets. SDS are available online at projectclean.com or by calling 1-800-663-9925. Improper use may result in damage or injury.
