

FLOOR CARE

Grease Thief

Biological grout & floor cleaner • Deep cleans

GREASE THIEF has a unique blend of bacteria and enzymes to deep clean floor tile and grout especially in commercial kitchens where appearance and safety are a concern. GREASE THIEF's dual cleaning actions penetrate and suspend while not allowing re-depositing on the floor. GREASE THIEF, with repeated regular cleaning, will bring most floors back to their original appearance. GREASE THIEF does not contain harmful chemicals such as caustics, acids or solvents. GREASE THIEF reduces grout discoloration and foul odours.

- Koshercheck certified
- Food Safe
- Improves slip resistance
- Digests grease and proteins
- Deodorizes
- Rejuvenates floor appearance

APPLICATIONS

Grout

Tiles

Hard surfaces

Floors

Vinyl

Concrete

DIRECTIONS

NOTE: GREASE THIEF should have a one-week shock period for highly soiled or abused floors.

Heavy Duty Cleaning: Dilute 64 ml per litre (8 oz/gal) (1:16) of hot tap water (below 60°C). Sweep floor first and spread generously, let stand for 5-30 minutes and pick up excess with a wet vacuum or mop. Scrub grout in highly soiled areas prior to removing excess liquid. Do not rinse unless repeating the application. Repeat procedure for 7 days.

Daily Cleaning: Dilute 10 ml per litre (1.3 oz/gal) (1:100) of hot tap water (below 60°C). Wet mop as usual. Do not rinse.

FOR USE IN FOOD PLANTS: All food should be removed or covered prior to use and food contact surfaces are to be thoroughly rinsed with potable water so there will be no contamination of food as a result of its use.

Application:

Heavy duty cleaning	1:16
Daily Cleaning	1:100

STORAGE

Keep from freezing. Store upright in closed container at room temperature away from children. Do not mix with any other chemicals

SAFE HANDLING

Before usage, ensure employees read and understand the product labels and Safety Data Sheet. Directions for use can be found on the label and the TDS. Employees can find hazard warnings, precautionary statements and first aid procedures on the SDS sheets. SDS are available online at projectclean.com or by calling 1-800-663-9925. Improper use may result in damage or injury.
