

ODOUR CONTROL

Digest

Liquid bacterial cleaner • Digests grease and stains

DIGEST is a pleasant smelling, bacterial and enzyme activated liquid. The bacteria used are derived from nature, containing no harsh acids, alkalis or solvents, designed as a natural method for cleaning. DIGEST is used in institutional grease traps and drains to eliminate the build-up of grease which in time has to be either cleaned by hand or by expensive pump-out methods. DIGEST converts the grease into liquid which flows down the drain causing no further problems.

- KosherCheck certified
- Eliminates odours
- Keeps drains clear
- Prevents grease build up

APPLICATIONS

Grease traps
Drains
RV holding tanks
Holding Ponds
Synthetic Soft Fibre

Laundry Pre-soak
Trash area & bins

TECHNICAL DATA

Appearance: opaque liquid

Colour: white

Foam: low

Odour: pleasant fragrance

pH: neutral

Packaging size

4x3.78L
18.9L

Packaging codes

1400575-4cs
1400575-18.9

PROMAX®

DIRECTIONS

Drains: Apply into a drain nearest to trap manually or with an automatic dispenser. Add 100 to 1000 ml (3 - 33 fluid ounces) per day, depending on volume of grease, oils, or fats, drain is exposed to.

As a laundry treatment and stain remover: Use prior to main wash or as a pre-soak. Allow 15 minutes to activate.

As a carpet deodorizer: Pre-spray organic or protein stains on fabric. Allow to dwell and rinse thoroughly.

Odour control: Use as a treatment in bathroom maintenance and odour control. Spray into garbage containers to digest organic material residue causing mal odours. Use at a rate of 1:64 with warm water as an odour control treatment on any surface.

DOSAGE FOR COMMERCIAL GREASE TRAP:

Up to 150 meals per day - 100 ml

150 to 300 - 200 ml

300 to 600 - 350 ml

600 to 1000 - 1/2 litre

over - 1 litre

NOTE: Avoid use of hot water or bleach at the same time as DIGEST.

FOR USE IN FOOD PLANTS: All food should be removed or covered prior to use and food contact surfaces are to be thoroughly rinsed with potable water so there will be no contamination of food as a result of its use.

Application:

Drains	100-1000ml
Laundry treatment / Stain Remover	Pre-soak
Carpet Deodorizer	Pre-spray
Odour control	1:64

STORAGE

Keep in a cool, well-ventilated place away from heat. Protect from sunlight. Always store product in container of same material as original container.

SAFE HANDLING

Before usage, ensure employees read and understand the product labels and Safety Data Sheet. Directions for use can be found on the label and the TDS. Employees can find hazard warnings, precautionary statements and first aid procedures on the SDS sheets. SDS are available online at projectclean.com or by calling 1-800-663-9925. Improper use may result in damage or injury.
