

ODOUR CONTROL

Ends Odour

Deodorizer · Carpet cleaning additive

ENDS ODOUR is formulated with special deodorizers that neutralize offending odours and their source. ENDS ODOUR has some cleaning capability but works primarily as a carpet cleaning solution additive that filters out the malodors associated with food, chemical processes, animals and smoke. It is not a bactericide, fungicide or sanitizer but works to effectively counteract odour-causing chemicals. ENDS ODOUR can be used for the routine odor control of carpets, upholstery and hard surfaces, leaving a fresh mint scent.

- Malodour counteractant
- Fresh mint scented
- Neutralizes odours
- Neutralizes odour source

APPLICATIONS

Hard surfaces
Carpets
Upholstery
Floors

Toilets
Urinals
Garbage areas
Dumpsters

TECHNICAL DATA

Appearance: clear liquid
Colour: green
Foam: low
Odour: mint
pH: 6.5-8.0

Packaging size
4x3.78L

Packaging codes
1300490-4cs

PROMAX®

DIRECTIONS

General Cleaning: Use full strength when cleaning urinals, toilets, garbage receptacles and dumpsters to remove offensive odours. Squirt a few drops of undiluted deodorant into bed pans and drainage bottles.

Odour Control Additive: Dilute 8 ml of ENDS ODOUR per litre of diluted cleaning solution (1 oz/gallon) (1:128), or more depending on requirements.

Rooms and Spray Application: Dilute 95 ml of ENDS ODOUR per 946 ml of water in a trigger sprayer (3 oz/1 quart) (1:10) and spray lightly into the air. Very effective and will not stain sheets, drapes or clothing. Do not spray undiluted.

Automatic Scrubbing Machines: Use 36 ml per 4.5 litre (1 oz/gal) (1:128) of rinse water in automatics, mopping tanks and buckets to eliminate "wet floor" odour.

For Toilets, Urinals, Garbage areas and Dumpsters: Use full strength to remove odours. Squirt a few drops of undiluted deodorant into bed pans and drainage bottles.

NOTE: Before application, pretest for colorfastness in an inconspicuous area.

IMPORTANT NOTICE TO PURCHASER: The manufacturer and seller warrant that the chemical contained herein conforms to its standard specifications. Seller's and manufacturer's liability for any and all losses or damages resulting from any cause whatsoever shall in no event exceed the purchase price of this product, with respect to which losses or damages are claimed. Before using, user shall determine the suitability of this product for the intended use, and user assumes all risk and liability whatsoever in connection therewith. The manufacturer and seller make no representation or warranty, including merchantability or any other kind, expressed or implied. The foregoing may not be altered except by written agreement by officers of the manufacturer.

Application:

General cleaning	Full strength
Odour control	1:128
Room & Spray application	1:10
Automatic scrubbing machine	1:128
Toilets, urinals, garbage areas & dumpsters	Full strength

STORAGE

Keep in a cool, well-ventilated place away from heat. Protect from sunlight. Always store product in container of same material as original container.

SAFE HANDLING

Before usage, ensure employees read and understand the product labels and Safety Data Sheet. Directions for use can be found on the label and the TDS. Employees can find hazard warnings, precautionary statements and first aid procedures on the SDS sheets. SDS are available online at projectclean.com or by calling 1-800-663-9925. Improper use may result in damage or injury.
