

PERSONAL CARE

Go Mango

Foaming hand soap • Moisturizing formula

GO MANGO is a versatile mild, foaming hand soap with a rich and creamy texture for use wherever hand sanitizing is necessary. GO MANGO provides a gentle and smooth touch on the skin, combined with thorough cleaning performance. GO MANGO's foaming ability makes it ideal for healthcare or daycare settings where frequent handwashing is required as it will not accumulate in drains over time.

- ECOLOGO certified
- Food safe
- High foaming
- Biodegradable ingredients
- Will not clog drains
- Moisturizing formula

DIRECTIONS

Wet hands and place a small amount of foam on palm. Manipulate solution on all surfaces of the hands to loosen soil from skin. Rinse clean with water.

FOR USE IN FOOD PLANTS: All food should be removed or covered prior to use and food contact surfaces are to be thoroughly rinsed with potable water so there will be no contamination of food as a result of its use.

STORAGE

Keep in a cool, well-ventilated place away from heat. Protect from sunlight. Store always product in container of same material as original container. Ensure good ventilation of the workstation. Avoid contact with eyes. Always wash hands after handling the product.

SAFE HANDLING

Before usage, ensure employees read and understand the product labels and Safety Data Sheet. Directions for use can be found on the label and the TDS. Employees can find hazard warnings, precautionary statements and first aid procedures on the SDS sheets. SDS are available online at projectclean.com or by calling 1-800-663-9925. Improper use may result in damage or injury.
