

MORNING MIST

Safety and Training Sheet

according to the Cosmetic Products Regulation (C.R.C., c.869) and Hazardous Products Regulation (February 11, 2015)
For education and training program (according to WHMIS 2015-GHS compliant)
Issue date: 4/26/2024 Version: 1.0

SECTION 1: Identification

1.1. Product identifier

Product name : MORNING MIST
Product code : 1300711

1.2. Recommended use and restrictions on use

Recommended use : Hand soap, cosmetics, personal care products
Restrictions on use : Use only as recommended

1.3. Supplier

Project Clean Inc
#202 - 12 James Street North
Hamilton, ON L8R 2J9
Canada
regulatory@projectclean.com - www.projectclean.ca

1.4. Emergency telephone number

Emergency number : For Chemical Emergency Call CANUTEC CANADA OR CHEMTREC USA 24hr/day 7days/week
Within USA and Canada: CANADA: 613 996 6666 | USA: 800 424 9300 or *666 on a cell phone

SECTION 2: Hazard identification

Additional information:

According to the Cosmetic Regulations (C.R.C., c.869), the product is registered as a cosmetic. Therefore, it is not regulated under the Hazardous Products Act (R.S.C., 1985, ch. H-3). The information provided herein is solely for our customers' training and safety program.

Hazard Statements:

WARNING : For external use only. Do not ingest
Avoid contact with eyes
Keep out of reach of children.
See Section 11 for toxicological information.
CAUSES SERIOUS EYE IRRITATION.

SECTION 3: Composition/information on ingredients

Mixture:

The ingredients in this product are in compliance with Health Canada Regulations. If required, they are listed on the label of the product using the International Nomenclature of Cosmetic Ingredients (INCI).

MORNING MIST

Safety and Training Sheet

according to the Cosmetic Products Regulation (C.R.C., c. 869) and WHIS (February 11, 2015)

SECTION 4: First-aid measures

4.1. Description of first aid measures

- First-aid measures after inhalation : Rarely cause discomfort. If breathing is difficult, remove victim to fresh air and keep at rest in a position comfortable for breathing. If experiencing respiratory symptoms: Call a poison center or a doctor.
- First-aid measures after skin contact : Wash skin with plenty of water.
- First-aid measures after eye contact : Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.
- First-aid measures after ingestion : Call a poison center or a doctor if you feel unwell.
- First-aid measures general : Under normal conditions of use, no adverse effects to health have been observed.

4.2. Most important symptoms and effects (acute and delayed)

- Symptoms/effects after eye contact : serious eye irritation.

4.3. Immediate medical attention and special treatment, if necessary

- Other medical advice or treatment : Treat symptomatically.

SECTION 5: Fire-fighting measures

5.1. Suitable extinguishing media

- Suitable extinguishing media : Water spray. Dry powder. Foam. Carbon dioxide.

5.2. Unsuitable extinguishing media

No additional information available

5.3. Specific hazards arising from the hazardous product

- Hazardous decomposition products in case of fire : Toxic fumes may be released.

5.4. Special protective equipment and precautions for fire-fighters

- Protection during firefighting : Do not attempt to take action without suitable protective equipment. Self-contained breathing apparatus. Complete protective clothing.
- Other information : The product is not flammable.

SECTION 6: Accidental release measures

6.1. Personal precautions, protective equipment and emergency procedures

No additional information available

6.2. Methods and materials for containment and cleaning up

- Methods for cleaning up : Take up liquid spill into absorbent material.
- Other information : Dispose of materials or solid residues at an authorized site.

MORNING MIST

Safety and Training Sheet

according to the Cosmetic Products Regulation (C.R.C., c. 869) and WHIS (February 11, 2015)

6.3. Reference to other sections

For further information refer to section 8: "Exposure controls/personal protection"

SECTION 7: Handling and storage

Precautions for safe handling	: No special precautions are necessary if used correctly.
Information about protection against explosions and fires	: No special measures required
Requirements to be met by storerooms and receptacles	: No special requirements
Information about storage in one common storage facility	: Not required.
Conditions for safe storage, including any incompatibilities	: Store in a dry, cool, well-ventilated place.

SECTION 8: Exposure controls/personal protection

8.1. Control parameters

No additional information available

8.2. Appropriate engineering controls

Appropriate engineering controls	: Ensure good ventilation of the work station.
Environmental exposure controls	: Avoid release to the environment.

8.3. Individual protection measures/Personal protective equipment

Eye protection: Avoid contact with eyes

SECTION 9: Physical and chemical properties

Physical state	: Liquid
Appearance	: Opaque liquid.
Colour	: Pearly Pink
Odour	: Berry
pH	: 5.0 – 7.5
Freezing point	: No data available
Boiling point	: No data available
Flash point	: > 100 °C
Auto-ignition temperature	: Not flammable
Flammability (solid, gas)	: Not flammable
Relative density	: 1.00 – 1.05
Solubility	: Miscible with water.
Viscosity, dynamic	: 2000 – 7000 cP

MORNING MIST

Safety and Training Sheet

according to the Cosmetic Products Regulation (C.R.C., c. 869) and WHIS (February 11, 2015)

SECTION 10: Stability and reactivity

Reactivity	: The product is non-reactive under normal conditions of use, storage and transport.
Chemical stability	: Stable under normal conditions.
Possibility of hazardous reactions	: No dangerous reactions known under normal conditions of use.
Conditions to avoid	: None under recommended storage and handling conditions (see section 7).
Incompatible materials	: No additional information available.
Hazardous decomposition products	: Under normal conditions of storage and use, hazardous decomposition products should not be produced.
Hardening time:	: No additional information available.

SECTION 11: Toxicological information

11.1. Information on toxicological effects

Skin corrosion/irritation	: Not classified. May cause irritation by prolonged contact with skin
Serious eye damage/irritation	: Causes serious eye irritation.
Symptoms/effects after eye contact	: mild eye irritation.

SECTION 12: Ecological information

12.1. Toxicity

Ecology - general	: The product is not considered harmful to aquatic organisms nor to cause long-term adverse effects in the environment.
-------------------	---

12.2. Persistence and degradability

Persistence and degradability	This product does not exhibit the properties of ignitability, corrosivity, reactivity or environmentally persistent toxicity. This product does not adversely inhibit a diverse aquatic range of organisms (animal, plant, bacteria).
-------------------------------	---

12.3. Bioaccumulative potential

Bioaccumulative potential	Not established.
---------------------------	------------------

12.4. Mobility in soil

Mobility in soil	No (test) data on mobility of the substance available
------------------	---

SECTION 13: Disposal considerations

13.1. Disposal methods

Waste treatment methods	: Reuse if possible. Otherwise dispose recovered material in accordance with all local, Provincial or Federal regulations. Dispose of contents/container in accordance with licensed collector's sorting instructions.
-------------------------	--

MORNING MIST

Safety and Training Sheet

according to the Cosmetic Products Regulation (C.R.C., c. 869) and WHIS (February 11, 2015)

Product/Packaging disposal recommendations : Non-refillable container. Do not reuse or refill this container. Offer for recycling, if available or puncture and dispose of in a sanitary landfill.

Ecology - waste materials : Avoid release to the environment.

SECTION 14: Transport information

14.1. UN number

Not regulated for transport

14.2. UN proper shipping name

Proper Shipping Name (TDG) : Not applicable

Proper Shipping Name (IMDG) : Not applicable

Proper Shipping Name (IATA) : Not applicable

14.3. Transport hazard class(es)

TDG, IMDG, IATA

Transport hazard class(es) (TDG) : Not applicable

SECTION 15: Regulatory information

15.1. National regulations

No additional information available

SECTION 16: Other information

Issue date : 04/26/2024

It is the responsibility of the user to provide a safe workplace, using the health and safety information contained herein as a guide. Project Clean Inc. will accept no liability for damages or loss incurred from the improper handling and use of this product.

The information provided in the Safety and Training Sheet has been obtained from current sources and is believed to be reliable.

For an updated SDS, please contact the supplier/manufacturer listed on the first page of the document.
