DIRECTIONS

AGITATE CONTAINER BEFORE USE.

General Cleaning: Squeeze a small amount of SCRUB 'N SHINE MULTIPURPOSE CREAM CLEANSER onto a damp cloth or sponge and wipe over surface. May also be applied directly onto surface. Agitate to loosen soil then rinse with water or remove with a damp sponge.

Metal surfaces: Squeeze a small amount of SCRUB 'N SHINE MULTIPURPOSE CREAM CLEANSER onto a damp cloth or sponge and wipe over surface. May also be applied directly onto surface. Polish with clean, dry cloth to create a bright shine.

On toilet bowls or urinals: Apply SCRUB 'N SHINE MULTIPURPOSE CREAM CLEANSER onto the surface. Use a brush or swab. Scrub soiled area and rinse by flushing.

For soft or delicate surfaces: Test on an inconspicuous place first before using

FOR USE IN FOOD PLANTS: All food should be removed or covered prior to use and food contact surfaces are to be thoroughly rinsed with potable water so there will be no contamination of food as a result of its use.

STORAGE

Store in dry, cool, well-ventilated place away from heat. Store always product in container of same material as original container. Ensure good ventilation of the workstation. Avoid contact with skin and eyes. Wear personal protective equipment.

SAFE HANDLING

Before usage, ensure employees read and understand the product labels and Safety Data Sheet. Directions for use can be found on the label and the TDS. Employees can find hazard warnings, precautionary statements and first aid procedures on the SDS sheets. SDS are available online at projectclean.com or by calling 1-800-663-9925. Improper use may result in damage or injury.
