

WASHROOM

Brite 'N Clean

Safe acid washroom cleaner · Multi-purpose

BRITE 'N CLEAN is a phosphoric acid gel type washroom cleaner. Specially designed to cling to both vertical and horizontal surfaces to provide longer contact time to clean and deodorize. BRITE 'N CLEAN is ready to use and it contains an active quaternary compound which can be used to sanitize hard, non-porous surfaces.

- Ready-to-use
- Contains active quaternary compound
- Sanitizes and deodorizes
- Safe on fixtures
- Removes water deposits, rust and stains

APPLICATIONS

Hard surfaces
Sinks
Urinals
Toilet bowls

DIRECTIONS

Toilet Bowls:

1. Lower bowl water level by forcing water over trap with bowl mop or by pouring in a pail of water.
2. Hold bowl mop over toilet bowl and saturate with 60 to 90 ml (2 to 3 oz.) of BRITE 'N CLEAN.
3. Clean bowl thoroughly, especially under flush rings.
4. Flush toilet, rinsing bowl mop.

Urinals:

1. Hold bowl mop over urinal and saturate with BRITE 'N CLEAN.
2. Swab urinal surfaces thoroughly, including under the flush rings.
3. Remove trap screen and pour 60 to 150 ml (2 to 5 oz.) of cleaner into and around drain outlet.
4. Swab drain outlet thoroughly, replace screen and flush urinal.

Chrome Fixtures: Apply with a damp cloth and wipe clean. Rinse with water.

Ceramic Tile and Grouting: Apply with a brush, wipe clean with a damp cloth or sponge. Rinse with water.

STORAGE

Keep in a cool, well-ventilated place away from heat. Store locked up. Store always product in container of same material as original container. Ensure good ventilation of the workstation. Do not breathe fume, mist, vapours, or spray. Avoid contact with skin and eyes. Wear personal protective equipment.

SAFE HANDLING

Before usage, ensure employees read and understand the product labels and Safety Data Sheet. Directions for use can be found on the label and the TDS. Employees can find hazard warnings, precautionary statements and first aid procedures on the SDS sheets. SDS are available online at projectclean.com or by calling 1-800-663-9925. Improper use may result in damage or injury.
