DIRECTIONS

SENSIBOWL should be used at full strength.

NOTE: Do not use on marble. Before application, pre-test in an inconspicuous area.

Toilets: Lower bowl water level by forcing water over trap with bowl mop or by pouring in a pail of water. Saturate mop with 60 to 90 ml (2-3 oz.) of SENSIBOWL and swab entire bowl thoroughly especially under flush rings. Flush and rinse mop.

Fixtures, Tile & Grout: Apply SENSIBOWL with a cloth or brush, wipe surfaces clean and rinse thoroughly.

Urinals: Use SENSIBOWL around urinal rim. Swab entire urinal and then flush.

STORAGE

Store in dry, cool, well-ventilated area. Ensure good ventilation of the workstation. Always wash hands after handling the product.

SAFE HANDLING

Before usage, ensure employees read and understand the product labels and Safety Data Sheet. Directions for use can be found on the label and the TDS. Employees can find hazard warnings, precautionary statements and first aid procedures on the SDS sheets. SDS are available online at projectclean.com or by calling 1-800-663-9925. Improper use may result in damage or injury.
