

WASHROOM

Washroom Sense

Safe acid washroom cleaner · Safe on all fixtures

WASHROOM SENSE is a complete washroom and fixture cleaner that keeps basins, showers, bowls, urinals and washroom surfaces clean in one easy step. High gloss surfaces such as chrome and stainless steel may be polished with a clean, dry cloth, if desired. WASHROOM SENSE is also very effective at removing those difficult stains from ceramic tile floors and grouting. WASHROOM SENSE is a mild, acidic formula and removes soap film, body oils, makeup and mineral deposits without damage.

- ECOLOGO® Certified
- Non corrosive
- Phosphate free
- Safe for all fixtures
- Removes scales & calcium deposits
- Able to be defoamed

APPLICATIONS

Hard surfaces
Sinks
Urinals
Toilet bowls

Faucets
Tiles
Shower stalls
Trash area & bins

TECHNICAL DATA

Appearance: clear liquid
Colour: orange
Foam: low
Odour: floral
pH: 1.0-2.0

Packaging size
4 X 3.78L

Packaging codes
1301300-4cs

DIRECTIONS

Unheated tap water should be used for dilution.

Light Soap, Soap Film and Body Oil Removal: Fill spray bottle or bucket with WASHROOM SENSE at 32 ml per litre of water (4 oz/gallon) (1:32).

Moderate Soil - For removing hard water deposits or heavy soil accumulations: Fill spray bottle or bucket with WASHROOM SENSE at 63-125 ml per litre of water (8-16 oz/gallon) (1:16-1:8).

Stainless Steel, Partitions and Other Washroom Surfaces: Fill spray bottle or bucket with WASHROOM SENSE at 63 ml per litre of water (8 oz/gallon) (1:16). Clean then polish using a clean, dry towel.

1. Use a sprayer, hand bucket, swab, brush, microfiber wipe, or mechanical sprayer device and simply apply the solution to the surface and wipe clean.

TIP: When using on sensitive surfaces, such as marble, test a small space for discoloration before using.

2. Allow time for the chemical action to begin dissolving soils including hard water deposits.

3. If needed, scrub, using a mild abrasive pad, brush or doodlebug.

4. Rinsing is typically not necessary.

Use WASHROOM SENSE full strength for those hard to clean areas in your washroom.

Application:

Light cleaning	1:32
Moderate cleaning	1:16-1:8
Other surfaces	1:16

STORAGE

Keep from freezing. Store upright in closed container at room temperature away from children. Do not mix with any other chemicals.

SAFE HANDLING

Before usage, ensure employees read and understand the product labels and Safety Data Sheet. Directions for use can be found on the label and the TDS. Employees can find hazard warnings, precautionary statements and first aid procedures on the SDS sheets. SDS are available online at projectclean.com or by calling 1-800-663-9925. Improper use may result in damage or injury.
