

INDUSTRIAL

# Degreaser 707

Multi-purpose cleaner · Soft metal degreaser

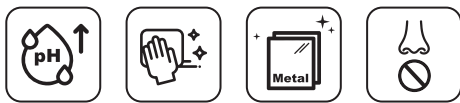

DEGREASER 707 is formulated to remove grease, oil, dirt, carbon, cutting oils, inks, waxes, dyes, and other stubborn soils. The product excels at degreasing and cleaning heavy duty industrial machinery such as aircraft, automotive parts, diesel and marine equipment, machinery, printing presses, production equipment, stoves, and ovens. It does not contain any caustic so it can be used safely on metals, including aluminum, zinc, cadmium and other non-ferrous and ferrous alloys and will not cause rust or corrosion. Equally safe on rubber, concrete, most paints and plastics.

- Caustic free
- Safe on soft metals
- Non flammable
- Non-toxic
- Removes stubborn soils
- Safe on rubber

## APPLICATIONS

Heavy duty industrial machinery  
 Aircrafts  
 Automotive parts  
 Diesel, marine and production equipment  
 Stoves and ovens

Metals (aluminum, zinc, cadmium and other non-ferrous and ferrous alloys)  
 Rubber  
 Concrete  
 Most paints and plastics

## TECHNICAL DATA

**Appearance:** clear liquid  
**Colour:** colourless  
**Foam:** moderate  
**Odour:** none  
**pH:** 11.5-12.5

**Packaging size**  
 4 x 1 US Gallon

**Packaging codes**  
 U140500-4c22

## DIRECTIONS

**Heavy Soil:** Dilute 43 oz of DEGREASER 707 per gallon of water (330ml/litre) (1:3).

**Light Soil:** Dilute 6.5 oz of DEGREASER 707 per gallon of water (50ml/litre) (1:20).

**FOR USE IN FOOD PLANTS:** All food should be removed or covered prior to use and food contact surfaces are to be thoroughly rinsed with potable water so there will be no contamination of food as a result of its use.

### Application:

Heavy soil	1:3
Light soil	1:20

---

## STORAGE

Store in corrosive resistant container with a resistant inner liner; Keep only in original container.; Store locked up.; Store in a cool, dry, well-ventilated place.

## SAFE HANDLING

Before usage, ensure employees read and understand the product labels and Safety Data Sheet. Directions for use can be found on the label and the TDS. Employees can find hazard warnings, precautionary statements and first aid procedures on the SDS sheets. SDS are available online at [projectclean.com](http://projectclean.com) or by calling 1-800-663-9925. Improper use may result in damage or injury.
