

CARPET CARE

Disappear

Carpet spotter · Hydrogen peroxide based

DISAPPEAR is a high-grade hydrogen peroxide spotter that effectively removes persistent organic and protein-based stains and odours. DISAPPEAR is highly effective on coffee, wine, soda drinks, fruit juices, pet stains, grass, blood, feces, and body oil.

- Ready-to-use
- Safe on synthetic fibres
- Self-neutralizing
- Removes difficult coffee and wine stains
- Low VOCs
- Effective on protein stains

APPLICATIONS

Carpets
 Laundry
 Upholstery
 Drapery

TECHNICAL DATA

Appearance: clear liquid
Color: colorless
Foam: moderate
Odor: citrus
pH: 5.5-6.5

Packaging size
 12x32 oz

Packaging codes
 U130470-12cy

DIRECTIONS

NOTE: Before application, pretest for colorfastness in an inconspicuous area.

For organic and protein-based stains and odours:

1. Remove all loose soil and debris from the area being cleaned.
2. Spray DISAPPEAR generously about 30 cm (12 in.) from stained area and allow to air dry. Use a full spray pattern and avoid water spotting by using less around the outside of the perimeter of the stain.
3. On deep pile carpets, tamp affected area with brush or carpet rake to gently work into pile. DO NOT SCRUB OR BLOT the treated area. In cases of extreme staining, a second application may be required. DISAPPEAR can also be used directly as a laundry spotter containing oxygen bleach.

Application:

Ready to use

STORAGE

Keep in cool, well-ventilated place away from heat. Protect from sunlight. Always store product in container of same material as original container.

SAFE HANDLING

Before usage, ensure employees read and understand the product labels and Safety Data Sheet. Directions for use can be found on the label and the TDS. Employees can find hazard warnings, precautionary statements and first aid procedures on the SDS sheets. SDS are available online at projectclean.com or by calling 1-800-663-9925. Improper use may result in damage or injury.
