

CLEANERS & DEGREASERS

Hydrogenic

Multi-purpose peroxide cleaner · Biodegradable ingredients

HYDROGENIC is a multi-purpose, hydrogen peroxide-based cleaner that deodorizes as it cleans. HYDROGENIC has low toxicity, does not contain any harmful chemicals such as butyl cellulose, caustics, acids, phosphates, or ammonia. It is CFIA approved and can be used to sanitize food contact, hard, and non-porous surfaces. It can also be used to brighten and deodorize waste receptacles, chopping blocks, washroom areas and kitchen sinks.

- ECOLOGO® Certified
- Food safe
- Neutral pH
- Brightens and Deodorizes
- Emulsifies grease, grime, and soil
- Safe on synthetic soft fibre

APPLICATIONS

Touch points pre-clean
 Pressure washing
 Stainless Steel
 Walls
 Countertops
 Hard surfaces

Appliances
 Classroom equipment
 Floors
 Mouldings
 Commercial Carpets
 Commercial Laundry spotter

TECHNICAL DATA

Appearance: clear liquid
Color: colourless
Foam: high
Odor: citrus
pH: 5.5-6.5

Packaging size
 4 x 1 US Gallon

Packaging codes
 U130615-4c22

DIRECTIONS

Unheated tap water should be used for dilution.

General cleaning: Dilute 4 oz of HYDROGENIC per gallon of cold water (32 ml/litre) (1:32).

Daily damp mopping: Dilute 1-2 oz of HYDROGENIC per gallon of cold water (8-16 ml/litre) (1:128-1:64).

Hard, non-porous, food contact surface sanitizer: For heavily soiled surfaces, a pre-cleaning step is required. Dilute 9.6 oz of HYDROGENIC per gallon of cold water (150 ml/litre) (1:26) (5000 ppm). Spray or mop product onto surfaces. Allow surface to remain wet for 10 minutes. Then rinse.

FOR USE IN FOOD PLANTS: All food should be removed or covered prior to use and food contact surfaces are to be thoroughly rinsed with potable water so there will be no contamination of food as a result of its use.

Application:

General cleaning	1:32
Daily damp mopping	1:128-1:64
Hard, non-porous, food contact surface sanitizer	1:26

STORAGE

Keep from freezing. Store upright in closed container at room temperature away from children. Do not mix with any other chemicals. Store in a dry, cool, well-ventilated place.

SAFE HANDLING

Before usage, ensure employees read and understand the product labels and Safety Data Sheet. Directions for use can be found on the label and the TDS. Employees can find hazard warnings, precautionary statements and first aid procedures on the SDS sheets. SDS are available online at projectclean.com or by calling 1-800-663-9925. Improper use may result in damage or injury.
