4 x 1 US Gallon

Packaging codes
U130940-4c22

PROMAX®

DIRECTIONS

Pour SAPPHIRE GLASS CLEANER into any convenient trigger spray bottle. Spray SAPPHIRE GLASS CLEANER solution onto surface and wipe clean with a paper towel or clean cloth.

NOTE: *Spot test other surfaces before using. DO NOT use on wood or other varnished surfaces. DO NOT mix with bleach or other chemicals.*

FOR USE IN FOOD PLANTS: All food should be removed or covered prior to use and food contact surfaces are to be thoroughly rinsed with potable water so there will be no contamination of food as a result of its use.

STORAGE

Keep from freezing. Store upright in closed container at room temperature away from children. Do not mix with any other chemicals. Store in dry, cool, well-ventilated area.

SAFE HANDLING

Before usage, ensure employees read and understand the product labels and Safety Data Sheet. Directions for use can be found on the label and the TDS. Employees can find hazard warnings, precautionary statements and first aid procedures on the SDS sheets. SDS are available online at projectclean.com or by calling 1-800-663-9925. Improper use may result in damage or injury.
