

## SPECIALTY CLEANERS

# Perfect Harmony 25

All-natural bio eliminator • 25% active ingredient

PERFECT HARMONY 25 multipurpose concentrate vinegar solution that can be used as a cleaner, mineral descaler, floor neutralizer, and weed and grass killer. PERFECT HARMONY 25 eliminates unwanted vegetation, grasses, and most weeds including dandelion, clover, chickweed and bluegrass. PERFECT HARMONY 25 can be used to descale moderate mineral deposits, clean surfaces, and neutralize floors.

- Biodegradable
- Works on stain resistant carpet
- Highly concentrated and free rinsing
- Removes ice melter residue

## APPLICATIONS

- Gardens
- Driveways
- Interlocking pavers
- Roof moss removal
- Siding
- Exterior concrete surfaces
- Coffee maker descaler
- Steam iron descaler

## TECHNICAL DATA

**Appearance:** liquid

**Colour:** transparent

**Foam:** none

**Odour:** vinegar

**pH:** 2.5

**Packaging size**

4 X 3.78L

**Packaging codes**

1401020lq-4cs

# PROMAX®

## DIRECTIONS

PERFECT HARMONY 25 can be used as an RTU for or diluted to meet cleaning needs.

**Weed & Grass killer:** Dilute as required for weeds and grass. Dilutions range from 1:5 to full strength depending on target plant species. Spray onto affected areas. Use “stream” adjustment to avoid over spray where surrounding areas may be sensitive to the solution.

**Mineral Descaler:** Dilute 1:1 with tap water. Ensure surfaces for descaling are immersed in solution for 10 minutes minimum - longer for harder to remove minerals. Rinse thoroughly with water.

**Floor Neutralizer:** Dilute 8 mL of PERFECT HARMONY 25 per 1 litre of water (1:128, 1oz per US gallon).

**NOTE:** Do not mix with alkaline.

### Application:

Weed and grass killer

Mineral descaler

Floor neutralizer

1:5 to RTU

1:1 to RTU

1:128

## STORAGE

Keep from freezing. Store upright in closed container at room temperature away from children. Harmful gas may result when mixed with bleach. Do not mix with any other chemicals.

## SAFE HANDLING

Before usage, ensure employees read and understand the product labels and Safety Data Sheet. Directions for use can be found on the label and the TDS. Employees can find hazard warnings, precautionary statements and first aid procedures on the SDS sheets. SDS are available online at [projectclean.com](http://projectclean.com) or by calling 1-800-663-9925. Improper use may result in damage or injury.
