Appearance: translucent liquid

Colour: colourless

Foam: medium

Odour: no added fragrance

pH: 6.0-8.0

Packaging size
12 x 946ml

Packaging codes
A300005-12an

DIRECTIONS

General cleaning:

Hard surfaces such as offices, kitchens, walls, floors, washrooms, fabrics & upholstery: Simply spray and allow the powerful biobased formula to penetrate soils or stains. Add dwell time for tough to clean areas. Wipe or rinse away. This product is designed to be used in multiple ways from cleaning washrooms to spot cleaning carpets and fabrics, plus everything in between.

CAUTION: Test for colourfastness before use on an inconspicuous area. To do not use on material if color changes once solution has dried.

FOR USE IN FOOD PLANTS: All food should be removed or covered prior to use and food contact surfaces are to be thoroughly rinsed with potable water so there will be no contamination of food as a result of its use.

DILUTIONS

Ready to use

STORAGE

Keep from freezing. Store upright in original closed container at room temperature away from children. Do not mix with any other chemicals.

DESIGNED FOR THE FUTURE

Our commitment to sustainability means we not only dedicate ourselves to creating greener, healthier and safer cleaning solutions, but also manufacturing our solutions through sustainable best practices. By providing our customers with sustainable solutions to enhance the sustainability of their facility care, cleaning process and employee health and safety, together we can share a naturally better tomorrow.

SAFE HANDLING

Before usage, ensure employees read and understand the product labels and Safety Data Sheet. Directions for use can be found on the label and the TDS. Employees can find hazard warnings, precautionary statements and first aid procedures on the SDS sheets. SDS are available online at projectclean.com or by calling 1-800-663-9925. Improper use may result in damage or injury.
